High-Power UV that fits almost anywhere!

The latest addition to the Mozart "Perfect Pixels" range, the Mozart UV Fixture is compact, lightweight, IP65 rated for outdoor use, bright, with up to 40 Watts of LED power, and emits 100% pure UV light with absolutely zero visible light!

Key Features:

- Very compact and lightweight – great for small spaces and low weight-bearing structures
- 100% UV light, 0% visible light. View independent test results
- Remote Mozart Drive with easy parallel or daisy-chain power/data wiring up to 100 meters
- Dual-mode delivers up to 40 Watts of LED power
- Rain and dust resistant IP65 enclosure – use in all environments
- Remote addressing and dual-mode switching via RDM
- Three lensing versions available - narrow, wide and elliptical
